

# RASCALS ACTIVITIES

Whether you are riding your bike to school, the park or the Rascal tree house you should always follow bike safety rules!

## RIDING BUDDY

Four eyes are better than two, so communicate when cars are coming and warn each other when a puppy is crossing the road!

## WEAR A HELMET

Even if you just got a fancy new haircut, don't let your ego put you in the hospital with a concussion.

## BIKE SIZE FITS

The number one reason why people fall off their bikes is because their bike size is too big or too small.

## INSPECT YOUR BIKE

So you left your bike outside all winter? You probably want to get your bike checked out at the shop.

## BRIGHT COLORS OR REFLECTIVE STICKERS

Cars are the biggest danger to bike riders, so help them out by wearing something that makes you easier to see.

## SIDEWALK OR STREET

Riding on the sidewalk isn't easy. You have to remember that the other people are pedestrians and they have the right of way. If you think you're old enough to ride on the street, you have to learn the rules.

## USE YOUR EARS

The most dangerous thing to do while riding your bike is listening to music with headphones. You need your ears to hear things coming from behind you.

In *The Little Rascals Save the Day*, Grandma's bakery is at risk of being closed by the bank! The Rascals decide to apply for jobs to help raise money to save it. If you and your friends would like to earn some extra money this Spring, here are some great ideas to get started!

### YARD WORK

If you're old enough to use a mower to mow lawns, then that's a great way to earn money around your neighborhood! Ask your parents for permission to use the lawnmower first. If you're not old enough to mow lawns there are tons of other types of yard work you can do. Depending on the season, you can rake leaves, plant seeds, water flowers, etc.

### DOG WALKER

If you don't like the idea of waiting for the weather to be just right in order to be able to earn some money, try dog walking. Dogs need to be walked all year round, no matter the weather or the time of year.

### PET SITTER

If someone you know is going to be away on a vacation or holiday and needs someone to either feed their pet, water their garden or pick up their mail while they're away, let them know that you're available and would be happy to do it for a slight fee.

### LEMONADE STAND

If the weather is right it's got to be hot! and you choose the perfect spot to set up your stand, you could entice almost every passerby to buy a glass of cold, refreshing lemonade from you!

### CAR WASH

If you don't mind getting a bit messy yourself, you can offer friends and family who drive or own cars to keep their cars clean and washed for them.
